From the Pastor,

February is the month for love. I hope, during this month, especially on Valentine's Day that you will let your loved ones know that you love them.

Also, February is an important month for Providence Baptist Church. Our new Pastor, Mitch Cifers, will begin his ministry at Providence on Monday,

February 8. Pray for Mitch and his family and pray that God will give Pastor Mitch and his family a very meaningful ministry at Providence Baptist Church.

Remember our Homebound Members during these winter months. Send them a card, call them, or visit them.

Furthermore, Lynn and I want to thank each of you for making our time at Providence so positive. We will always have fond and warm memories of you.

In Christ,

Pastor Larry
