On Memorial Day  
Remember  
Those Who  
Served

## **From the Pastor,**

One year in High School, I can remember participating in track and field during 10<sup>th</sup> grade physical ed.class. We learned the different events and I really enjoyed them. From discus to broad jump, to relays, to pole vault, to javelin toss are lot of fun. There was one event that intimidated me though, the hurdles. When it was time for the hurdles, I froze. You know, life has hurdles. We can approach those hurdles with fear or faith, realizing that we have a Great High Priest! Hebrews 4: 14-16. With His help, we can clear those hurdles!
