**From the Pastor,
Clearing the Hurdles**

Hello once again. Let me start by saying thank you for all the help, food and prayers for the Cifer's family. Our family cleared the hurdle .of changing addresses. On the last day of May, 5824 Walters Mill Road became our new place of residence. A lot of work, but, God is good!

An exciting month is ahead for PBC. VBS is our next event, June 13-17th, please be in prayer. There are still some needs for this ministry to the children of our community. Ask where you may be plugged in!

Please pray that God will empower us to clear these hurdles. That He may be glorified!

Furthering HIS Kingdom
Pastor Mitch
