Clearing the Hurdles!

Hello Church Family,

March is upon us. Winter is almost behind us. New life is right around the corner! “New life” has such a nice ring to it. Can you recall when either your child or children, or maybe a niece or nephew was born? What an exciting time! Smiles, laughter and new adventures began.

We experience new life each spring with God's creational handiwork. What an Awesome God! Flowers and trees bloom with colors and fragrance! The birds sing with new songs. You can't help but see the hand of God in creation, Romans 1:20.

When the laughter or cries of a new child are heard, when the bird sings, when the color catches your eyes, when the fragrance reaches your nose, remember that God is the giver of new life. In those moments, reflect on His grace towards us and the opportunity given us to be called children of God, the greatest “New Life” of all.

**Happy Springtime,
Pastor Mitch**
