Happy Harvest

Clearing the Hurdles!

Hello Church Family,

**Can you believe how fast
the summer has passed?**

School buses are running,

**picking up boys and girls for trips to classes filled with
excitement! August is behind us, September is here.**

**August brought hot days and plenty of rain. As we read
this article, people are trying to recover from the worst
storm ever to hit the U.S. Hurricane Harvey has
brought devastation, but also a reminder. When God's
people assemble themselves to meet a need, the gates of
Hell cannot prevail. Even though almost 5 feet of rain
fell, families were displaced from homes, cars, and
family members, God can be glorified!**

**Can I get a Thank You Jesus?! His blessings are more
than abundant!**

**Please pray for the relief efforts that are taking place
for these people being affected! And tell someone today,
and tomorrow, and the next day, and continue for the
days to come, just how much you appreciate them.**

The Cifers family loves and appreciates each of you!

Furthering HIS kingdom,

Pastor Mitch
