Clearing the Hurdles!

Hello Church Family,

When discussing the hurdles of life, we need to think about how we will actually get over these hurdles. We are told to “Be still and know that I am God” in Psalms 46:10. It is important to know when facing a difficult point in life that God is in charge. So we can use this knowledge to enjoy His peace. He is walking with us and He has a plan. He did not intend for us to walk through life in anxiety and turmoil. He intended for us to find peace, strength, hope, and comfort in Him.

This verse, however, doesn’t mean to be still and do nothing. While waiting for God to act or give us direction, we can be very active in our prayer life and in our drawing nearer to Him. How can we expect to find God’s will for our lives if we do not seek Him?

So, are we taking the time to seek Him? How can we draw closer to Him? A good place to start is with morning prayer. Begin the day by focusing on Him, and it will change your perspective for the rest of the day. Take time throughout the day to give thanks to Him for little blessings you notice. Begin a daily devotional. Be sure to open your Bible each day to dwell in God’s word. And remember, God loves you, and cares about your every need. He delights in our spending time with Him.

Furthering HIS Kingdom,

Pastor Mitch
