It's VBS Month!

Clearing the Hurdles!

Hello Church Family,

What a time of rejoicing! God has been so good to us. We need to shout His praise for the goodness shown.

We look around at His creation and see His handiwork. The birds are singing. The flowers are blooming. We serve an awesome God.

He has also blessed us with several new ministry tools at the church. First of all, He allowed us to install a new playground. This will help us offer a safe place for children in our community to play. Secondly, our new church sign has been completed. It gives us the ability to communicate with our community through a digital message board. Another amazing blessing, these two projects were not an expense to the church!

God is Good!

Furthering HIS Kingdom,

Pastor Mitch
