Clearing the Hurdles!

Hello Church Family,

Can you believe that July is here? What a whirlwind month of June!

We started the month with our 2nd Annual Providence Invitational Golf Tournament. It was a huge success. A great day of golf with an opportunity to connect with an awesome group of golfers, as well as fellowship with some of our church family.

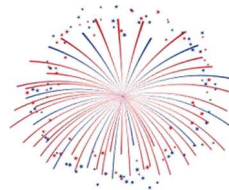

Then came our VBS! We had a wonderful week with the boys and girls that joined us for the In The Wild themed study.

The month of July brings with it more opportunities for fellowship and ministry. Keep a check on the calendar for your time to join in!

Have a wonderful and safe remainder of your summer.

Furthering HIS Kingdom,

Pastor Mitch

Call to me and I will answer you and tell you great and unsearchable things you do not know.

Jeremiah 33:3
