Clearing the Hurdles!

Be careful, love is in the air and the calendar is filed with important dates and events. January brings the New Year, December celebrates Christmas, November reflects on Thanksgiving, but a calendar not remembering February and Valentine's Day would be unheard of. I can almost hear you men mumbling "Valentine's Day is a woman made Holiday," but in your wisdom, you are just mumbling.

February is the month of Love! Whether love is expressed by two puppies sharing a spaghetti noodle, or a child warmed by the hug of a parent, or a spouse sharing a kiss, it is a wonderful thing. That is expressed in so many ways that convey a message of inclusion and care.

**That, my friends, is exactly what our Heavenly Father did. He offers our inclusion into His family by an expression of His love towards us, through His Son, Jesus. So, today, love Him in return and love all others.
Matt 22:37-39**

**Furthering HIS Kingdom,
Pastor Mitch**

Proverbs 3:3

*3. Let not steadfast love and faithfulness forsake you;
bind them around your neck;
write them on the tablet of your heart.*
