Clearing the Hurdles!

Whew!!! Good Bye 2020!

Have you ever been on a roller coaster ride, and just couldn't wait till it ended so that you could get off? Well, that's 2020!

But, when you look back with clear vision, God's hand was always there to meet every need! That is the God that we serve. You may not always see HIS hand, but He is always there.

My prayer for 2021 is for God to reveal Himself more than ever before! Would you join me in praying for God's presence to be more evident in our lives, ministries, families, communities and nation. He desires to be glorified, so give Him praise! If we don't, the rocks might do it for us.
