Clearing the Hurdles!

In like a lamb, out like a lion, or In like a lion, out like a lamb. That has been the saying; as far back as I can remember when the fierceness of the winter months is described. This has definitely been an interesting winter. We had snow, ice, cold and mild temperatures. We have even had several bouts of losing electricity. Going several days without power can definitely make you appreciate when you do have it.

You know there are some lessons that we can learn. I know the obvious is to be prepared for those times of inconvenience, but that's not what I mean. I guess I am referring to the times in our daily lives that we choose to go without power, spiritual power. We need to check our power source. We need to make sure that our power source is the Holy Spirit! We can accomplish, and endure, so much more when we have a proper connection with HIM! Check your connection!

16For I am not ashamed of the gospel, for it is the power of God for salvation to everyone who believes, to the Jew first and also to the Greek. **17**For in it the righteousness of God is revealed from faith for faith, as it is written, "The righteous shall live by faith." (Romans 1:16-17)

8If we say we have no sin, we deceive ourselves, and the truth is not in us. **9**If we confess our sins, he is faithful and just to forgive us our sins and to cleanse us from all unrighteousness. **10**If we say we have not sinned, we make him a liar, and his word is not in us. (I John 1:8-10)

**With GOD, the power is limitless, no outages on HIS part!
Furthering HIS Kingdom,
Pastor Mitch**
