# *Clearing the Hurdles!*

Dual Citizenship- refers to the status of an individual who holds the nationality of two different countries at the same time. (<https://www.nnuimmigration.com>)

This is the status of those that are born again. We are, in our case, citizens of America and of Heaven. Not only should we be proud Americans that represent our country, but we should be more zealous about our future home, Heaven!

On July 4, 1776, America, the Land of our Birth, became the Land of the Free and the Home of the Brave! Let us not forget to celebrate the birthday of our country!

Whether it is through picnics, cookouts or other gatherings always remember! Remind others of the blessings of our freedom!

On Month Day Year, you became a citizen of another land, Heaven, the Future Land for those that have been Born Again! Let us not forget to celebrate our New Life in Christ! Whether it is through acts of love, testimony or other opportunities always remember! Remind others of the blessings we have in Jesus!

*1 Peter 3:15*

*<sup>15</sup> but in your hearts honor Christ the Lord as holy, always being prepared to make a defense to anyone who asks you for a reason for the hope that is in you; yet do it with gentleness and respect,*
