# *Clearing the Hurdles!*

It's almost fall y'all! Hopefully, cooler temperatures and beautiful colors are on the way! It is also, in the farming community, harvest time. For months farmers have toiled in the fields from preparation of the land, to planting, to cultivating, to harvest and storage. A good harvest provides food and finances for the farmer and family. A very rewarding effort for a job well done.

In a conversation with His disciples, Jesus uses this analogy, one that the disciples knew well, to help them see the importance of gathering the souls of man.

*35Do you not say, 'There are yet four months, then comes the harvest'? Look, I tell you, lift up your eyes, and see that the fields are white for harvest. 36Already the one who reaps is receiving wages and gathering fruit for eternal life, so that sower and reaper may rejoice together. 37For here the saying holds true, 'One sows and another reaps.' 38I sent you to reap that for which you did not labor. Others have labored, and you have entered into their labor.'* (John 4:35-38)

May GOD use you to sow and reap!
