Clearing the Hurdles!

Can you believe it? There is only 11 months until Christmas! And just like that this year flies by. Don't let it get away from us too much before we think about how to invest in it. I have been speaking on Sunday mornings about the need for the church to wake up. There are needs in our communities, our towns, and our country for the Church to get back on track. Not in doing stuff, but in loving people! I would like to encourage you with the 2 commandments given by Jesus in Matthew 22:37-40, which states,

37 And he said to him, "You shall love the Lord your God with all your heart and with all your soul and with all your mind. 38 This is the great and first commandment. 39 And a second is like it: You shall love your neighbor as yourself. 40 On these two commandments depend all the Law and the Prophets."

According to these verses, our investments should be in two directions. #1, Our relationship with Christ, and #2, our relationship with others. And when we do invest in those two most meaningful of connections, we will be a part of the fulfillment of GOD's plan. What a blessing that is, to be in the center of GOD's will!!

So look for ways to ways invest in those areas and your year will be fruitful and blessed!
